Item 1

Court Facilities Planning: Seismic Safety Policy for Leased Buildings (Action Required)

The Administrative Office of the Courts recommends adoption of the policy, in order to provide adequate assurance of seismic life safety for both employees and the public in buildings in which space is leased for court operations. As the AOC implements its responsibility to acquire leased space for new judgeships and associated staff, for replacement of existing facilities, and for expansion of court facilities, this policy defines the seismic safety requirements for the buildings to be leased. It applies to all new leases entered into by the AOC on behalf of the court, as well as to all leased court facilities whose responsibility has already transferred to the state under the Trial Court Facilities Act of 2002 (Sen. Bill 1732; Stats. 2002, ch. 1082). The policy supports the mission and policy direction of the Judicial Council in its Long-Range Strategic Plan—Goal III, Modernization of Management and Administration and Goal VI, Branchwide Infrastructure for Service Excellence—by providing safe and secure facilities and improving existing court facilities to allow adequate, suitable space for the conduct of court business.

Item 2

Equal Access Fund: Distribution of Funds for IOLTA-Formula Grants (Action Required)

The State Bar Legal Services Trust Fund Commission has submitted its annual report on distribution of Equal Access Fund grants. In that report, the commission requests that the Judicial Council approve distribution of \$14.85 million according to the statutory formula set out in the State Budget and reports that it has complied with the guidelines set forth for distribution of those funds. The Budget Act authorizing the Equal Access Fund provides that the Judicial Council must approve the commission's

recommendations if the Judicial Council determines that the awards comply with statutory and other relevant guidelines.

Item 3

Assembly Bill 1058: Base Allocations for Child Support Commissioner and Family Law Facilitator Program, Fiscal Year 2008–2009 (Action Required)

The Family and Juvenile Law Advisory Committee recommends that the council approve the allocation of non-trial court funding to local courts for the child support commissioner and family law facilitator program. The funds for this program are provided by a cooperative agreement between the California Department of Child Support Services (DCSS) and the Judicial Council. Two-thirds of these funds are federal funds and the remaining one-third are state General Funds (non-trial court funding). The courts are also being offered an option to use local court funds up to an approved amount to draw down federal matching funds.

Item 4

Judicial Branch Education: Minimum Education Requirements and Expectations—Justices’ and Judges’ Individual Recording and Reporting Form (amend Cal. Rules of Court, rules 10.461 and 10.462) (Action Required)

The Governing Committee of the Center for Judicial Education and Research (CJER) recommends the amendment of rules 10.461 and 10.462 of the California Rules of Court, effective immediately, to change the current requirement that the form used by individual justices and judges to record and report their judicial education participation must be provided by the Judicial Council, in order to allow courts to use other appropriate forms that include all the required information.

The proposed amendments authorize the Chief Justice, administrative presiding judges, and presiding judges to determine what recording and reporting form should be used in their court. They may determine that their court should use the form provided by the Judicial Council but may also determine that their court should use another form that has the required information.

The purposes of the proposed amendments are to enable (1) individual justices and judges to more effectively record and report their judicial education participation; (2) the Chief Justice, administrative presiding justices, and presiding judges to more effectively facilitate and monitor judicial education participation in their courts; and (3) all justices and judges to more easily and effectively demonstrate their compliance with the education requirements and expectations in the rules.

Item 5

Court Interpreters: Testing and Fee Policies (Action Required)

The Court Interpreters Advisory Panel recommends raising the renewal fee for certified and registered court interpreters and modifying the court interpreter test retake policy. The Court Interpreters Program recommends approving the delegation of authority to the Administrative Director of the Courts to administer three operational areas concerning interpreter testing.

Approving these recommendations will increase the annual renewal fee, establish a more coherent and viable court interpreter test retake policy, and delegate to the Administrative Director of the Courts authority over three operational areas. Delegating authority to the Administrative Director of the Courts will provide the AOC greater flexibility to administer three operational aspects of the court interpreter testing program.

**Report of the Riverside Criminal Backlog Reduction
Initiative (No Action Required)**

In June 2007, the Chief Justice outlined strategic actions to address the serious backlog of criminal cases facing Riverside County's justice system. He assigned to the superior court a team of both active and retired judges (the Strike Force) with extensive criminal trial experience to concentrate their efforts on the criminal case backlog. Associate Justice Richard D. Huffman of the Court of Appeal, Fourth Appellate District convened a task force of court and criminal justice system partners to identify ways to improve the management of criminal cases and to develop and implement positive solutions for the Riverside County justice system. This report will update the Judicial

Council on the results of the Strike Force and provide an update on the work of the task force to improve the management of criminal cases.
